

DVM Housing Listings

GENERAL INFORMATION

The DVM Housing Listings website is an excellent way to find roommates, tenants, or places to rent or buy. If you are affiliated with CVMBS, you may use this site to post listings for property rentals, property sales, and/or to advertise for a roommate.

As a reminder, this website was created primarily to help incoming DVM students find housing. It is secondarily for returning DVM students. We ask that only those affiliated with CVMBS or veterinarians in the community post listings. When a posting is submitted, it goes into a pending status for approval by the Site Manager. Once reviewed and approved, the posting can be viewed by others. We reserve the right to deny a posting and may seek more information if it appears you are not affiliated with CVMBS. Those not affiliated with CVMBS have access to post properties via other campus avenues (for example, CSU's Off-Campus Life office).

LISTINGS/CREATORS

CREATE AN ACCOUNT: Click the "Listing Creators" box to create your account. After your account is set up, you may create and post a listing. If you would like to post more than one listing, please create an additional listing using the same account (please do NOT create multiple accounts). If you forget your username and/or password, please contact the Site Manager.

POST A LISTING: Once you submit your listing, the site manager will review the listing for a CVMBS affiliation before approving. To view your listing, log back in using the "Listing Creators" box. Each time you modify the listing it is immediately placed in "review" status for approval and is not viewable to renters. An expiration date will auto set to the first Friday in April of the following year. If you would like to list your property each year, you will need to repost your listing.

*For the best response to your property listing, please post your new listing **before April 29, 2024.***

DELETE A LISTING: If you would like to delete/remove your listing, you can change the "Listing Status" to "Inactive."

RENTERS/BUYERS

VIEW LISTINGS: Click the "Renters/Buyers" box. The passcode to view active listings will be given to incoming DVM students (Class of 2028) in early May 2024. We will send the passcode to returning DVM students, Interns, and Residents later that month. Note: If you are a returning DVM student and have a property or room you would like to advertise for, you are welcome to post a listing at any time.
